

Clark Childers

I was the President of the WEHOA for six years before the HOA became the WEPOA with the sale of the Club pending last summer.

I have lived at the Water's Edge for 12 years, moving here from Northern Virginia where I was a CPA for Forty years.

I currently serve as Treasurer of three non-profit organizations and enjoy the golf and club life at the Water's Edge in my retirement.

I am willing to serve one more year on the WEPOA Board in order to provide continuity.
