Dear Property Owners:

My name is Kim Cassada, and I am excited to announce my candidacy for a position on The Water's Edge Property Owners Association. I am looking forward to working with the current 5 board members, that have worked tirelessly for the last year to organize and to put processes in place to continue to keep our wonderful community as beautiful and vibrant as always.

For those who do not know me, I have lived in the WE since February 2021, we have lived on SML since 2016. We are fulltime residents of WE. We have loved the area (since I was a small child), we love the lake and we only want our Community to thrive. I believe to do that you need to be involved, hence my reason for joining the board. I have a husband of 35 years, who is an avid golfer. I have a 23-year-old son who also loves the game of golf and water sports. Last but not least, the love of my life my dog Barkley, who loves the lake and his long walks in our beautiful neighborhood.

I have served on several Boards and Committees, the most recent:

2012 -2017 The Boys & Girls Club of America, Danville Virginia

2019 – Present The Cool Branch Rescue (Currently Vice President of the Board)

2012-2017 The Young Women's Enrichment Program B & G Club

2019 – Present The Youth Enrichment Program at Christ Community Church

I have been employed as a Sales Representative for Packaging Corporation of America for 20 years. I believe working with and listening to people and their needs makes me a great fit for the board position. I have a love of people and a strong sense of community. I believe that we have one of the most wonderful Golf Courses and Lakes that the South East has to offer. I believe that adding additional board members to the POA will only help to improve the foundation that we currently have.

My goals for the community are to unite and inform all property owners, and to give all owners a majority voice.

Thank you for allowing me the ability to work for, and with each of you to make this an even safer and more inviting place to live.

Sincerely,

Kim Cassada
